v.

Defendants

Case No.: 2:19-cv-01189-APG-EJY

Order Remanding Case to State Court

On January 15, 2021, I ordered the defendants to show cause why this case should not be remanded to state court based on the local defendant rule of 28 U.S.C. § 1441(b)(2). ECF No. 130. I subsequently granted the parties' stipulation to delay the response until after the Supreme Court of Nevada ruled on the questions I certified to it. ECF No. 132. On December 16, 2021, the defendants responded to my order by requesting that I dismiss this matter based upon the Supreme Court of Nevada's rulings. ECF No. 135. The defendants did not respond to my direction to show cause why I should not remand the case. The plaintiffs have not responded to either my order or the defendants' request for dismissal.

As stated in my order to show cause, I believe that removal to this court was improper under 28 U.S.C. § 1441(b)(2). I therefore do not have jurisdiction to dismiss this case. Rather, I must remand it to state court. The defendants may seek dismissal from that court.
